Categories: Video Projector Mounts, UFO Video Projector Ceiling Mount

Colour: Silver

Steel-made universal ceiling mount bracket, adjustable for videoprojectors, with arm (L= 1150 -1800mm). There are two Ø65x30 holes to enable the passage of the cables, including VGA. It is vertically tiltable ì(+/-25°) as well as horizontally (360°) by adjusting the central part of the assembly swivel. It can be fixed by its spanner which is supplied with 3 buttonholes providing for very quick inspection for maintenance. To apply the Dia/video to the support, you have to use 4 arms of different dimensions (78/138/168mm). Use the feet to position the arms at the same height, and then fix them to the support. M3, M4 and M5 screws, M2,5 adaptors and istruction manual included.

Also available in:

- **Anthracite (Cod: 06625)**
