
FLAGGY M - Wall support system vesa 200x200, Black

FLAGGY M - Wall support system vesa 200x200, Black

SKU: 14083

Color: Black

The Flaggy Series is the new robust wall support system for articulating display mounting, featuring maximum stability. Its special friction brass adjusting mechanism assures the positioning of the display in an easy and secure manner, maintaining a precise and stable mount. Flaggy is designed as an optimal solution both for a “closed” position occupying a minimum amount of space, and the maximum extension, guaranteeing that the display is positioned in an extremely solid and secure manner.

Also available in:

- [White \(Cod: 14946\)](#)
