Opera, trolley for interactive whiteboards and projectors up to 135 inches

SKU: 23798

The OPERA wheeled stand was also developed for projectors and EPSON interactive boards

The system enables perfect image and projector stability, thus utmost interactive system functionality.

The sturdy and stable stand structure enables perfect handling also on not perfectly smooth surfaces.

The wide space between two wheeled stands having the same board length can minimize user leg encumbrance, thus making the use of the board very comfortable.
