IRIS PRO PREMIUM

P/N: 29303

A trolley designed for EPSON EB-L815 projectors for motorised systems

The trolley allows for the use of motorised screens up to 130 inches.

The trolley ensures smooth movement of the entire structure and also allows the screen to be lowered for easy transport between different rooms and across uneven surfaces.

The system ensures perfect calibration of the projector with respect to the various screen sizes, which are pre-set.

A wide range of accessories is also available, including mounts for video conferencing systems and soundbars.
