

IRIS PRO MAX - ALR Towel Holder

IRIS PRO MAX - ALR Towel Holder

P/N: 29792

A trolley designed to integrate the EPSON CS01 trolley with the ALR motorised screen system

The trolley allows the EB L 810 projector trolley to be combined with motorised pantograph systems of various models and brands.

These screens range in size from 100 or 120 inches and upwards.

The trolley ensures smooth movement of the entire structure and also allows the screen to be lowered for easy transport between different rooms and across uneven surfaces.

The system ensures perfect calibration of the projector with respect to the various screen sizes, which are pre-set.

A wide range of accessories is also available, including mounts for video conferencing systems and soundbars.
