

Arakno Kit - Dedicated Interface Plate for Panasonic Projectors

Arakno Kit - Dedicated Interface Plate for Panasonic Projectors

P/N: 26423

High-performance integrated kit: features the calibrated and patented Euromet Arakno Anniversary mount, paired directly with a dedicated interface plate tailored specifically for Panasonic projectors.

Maximum structural stability: the kit is engineered to deliver superior rigidity, increased load capacity, and a drastic reduction in projector vibrations.

Full, expandable compatibility: the mount maintains complete access to the entire ecosystem of Arakno accessories without any functional limitations.

Specifiche
