<b>Material</b>	Iron-Aluminum

---

**Categories:** [Flat Panel Ground Mounts](#), [Flat Panel Mounts](#)

The Delta Raffaello wheeled easel stand makes it possible to install the monitor perpendicular to the floor. In this position, the monitor ensures least light reflection and more importantly perfect screen visibility for those who stand in front of it.

The sturdy and stable stand structure enables perfect handling also on not perfectly smooth surfaces. Also articulated brackets are available to mount video-conferencing systems and a design rack with 6 units.
