The new DOUBLE SLIDE system is the perfect solution to support extra-large monitors - i.e. over 110" – or 2 parallel monitors. The DOUBLE SLIDE solution meets large monitor stability and safety requirements on the one hand and offers an ideal design solution for sophisticated environments on the other. It also makes it possible to use all SLIDE accessories, such as sound bar brackets, NUC, extra tray and additional monitors also in rear position. Its modern and innovative design also includes a column with cable concealing system.
