

## Kalibro EP20000U

**Codice:** 18852

**Categorie:** [Kalibro Stacking System](#)

**Pagina prodotto:** <https://www.euromet.com/en/product/kalibro-ep20000u/>

### Descrizione

The new STACKING FRAME CAGE completes the EPSON 20000 projectors range. It is equipped with a movable bar on the upper part, enabling an easier fitting and use with a wide variety of lenses. The adjustment and calibration system by EUROMET makes it possible to achieve perfect setting, but also ease of use, stability and quality.

\*Compatible with EPSON 20000U video-projectors.
